In The Name of God Most Gracious Most Merciful  
To Judge Sterling Johnson  
Hope this letter finds you well.

I am writing to request that I wish to appear before you in court so I may fire my lawyers Samuel Jacobson and Allegra Glasshausser and I wish to represent myself unless another suitable lawyer or lawyers will be willing and able to work with me.

I appreciate very much the work Mr. Jacobson and Glasshausser has done for me but we have reached a stage in our work and relationship that there is a major conflict of interest As well as past grievances I hold against Mr. Jacobson and Mrs. Glasshausser which I would explain in court if necessary.

Thank you. May God guide you
